  5. Apply for any additional rental vouchers when available and approval is possible
  6. Increase voucher payment standard when necessary
  7. Maintain the homeownership program
  8. Support developer's new construction and rehabilitation of affordable housing for low-income, elderly, and disabled households and for accessible units through state tax credit funding.

**Goal: Promote self-sufficiency and asset development**

- Objective:
1. Maintain at least 75 families on the FSS program
  2. Increase the number of successful FSS contract completions
  3. Maintain the homeownership program and increase the number of homeowners.
  4. Inform families of these opportunities at the briefing and reexamination.

**Goal: Ensure equal opportunity for all participants and affirmatively further fair housing**

- Objective:
1. Provide annual fair housing training to staff
  2. Provide families with information on fair housing at the briefing and when families move. This information is also provided with each FSS enrollment.

  4. Any discrimination complaint is addressed timely and completely.
  5. Owners sign a Housing Assistance Contract which includes a provision for non-discrimination.

**Progress Report.** Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

**Progress:**

**Goal: Increase the availability of safe, decent, and affordable housing**

- 1) In the last year, Franklin County PHA (FCPHA) was able to utilize 76% of our available housing units while utilizing 100% of our housing assistance funds. In the same time period, 150 new families began receiving housing assistance. This includes families off our waiting list and those who transferred here.
- 2) In the last year, 91% of the new admissions had income at or below 30% of AMI (extremely low-income families).
- 3) FCPHA achieved a High Performer rating from HUD through the Section 8 Management Assessment Program (SEMAP) self-certification reporting in the last reporting period. This assessment scores the PHA under 14 performance indicators such as the accuracy of the family's rent calculation and that HQS inspections were conducted annually with deficiencies corrected in a timely manner.
- 4) In the last year, the housing program was awarded an additional ten new incremental HCV vouchers. HUD appropriated funding for New Incremental HCV (Fair Share) vouchers, of which our PHA received ten.
- 5) Payment Standards were increased in the last year to enable our families greater access to the rental market.
- 6) FCPHA has maintained the homeownership program. There are currently eleven families receiving assistance with their mortgages.
- 7) FCPHA supports developer's new construction and rehabilitation of affordable housing for low-income households and for accessible units by providing the developers with a letter of support and providing other sources of information on the need in the community as requested. This year FCPHA worked directly with two developers in their applications to build affordable housing. One project was approved to build affordable housing in Pacific, Mo.
- 8) FCPHA supports HUD's initiative to end homelessness by implementing the homeless preference.
- 9) FCPHA has hired a landlord liaison to help recruit new landlords and maintain current ones.

	<p><b>Goal: Promote self-sufficiency and asset development</b></p> <p>1) In the last year 90 families participated in the FSS program.  2) Over the last year there have been 21 successful completions and 14 new enrollments. In the last year, \$177,375 in escrow was released to FSS families, and 63% of all FSS families had a positive balance in their escrow account.  3) FCPHA has maintained the homeownership program. There are currently eleven families receiving assistance with their mortgages.  4) Families are informed of both the FSS and Homeownership programs at the initial briefing and with the annual reexamination.</p> <p><b>Goal: Ensure equal opportunity for all participants and affirmatively further fair housing</b></p> <p>1) Housing staff receive fair housing training annually  2) FCPHA affirmatively furthers fair housing by informing families at the briefing and at moves as to the location and advantages of locating units outside areas of poverty or minority concentration.  3) FCPHA will market the voucher program to owners outside poverty/minority concentration areas when necessary. In the Request for Tenancy packet, owners are encouraged to participate in providing rental units in low-poverty areas. The HAP contract signed with each lease up and move contains the provision for non-discrimination.  4) FCPHA had 64 % of our total families living outside the high poverty areas and the same percentage of families with children living outside the high poverty areas in the last year.  5) FCPHA addresses and cooperates fully with any discrimination complaint.</p>
