

## **Theme Prioritization and Trustee Meeting**

**March 15, 2022**

### **1) Which theme(s) would you give top priority under the criterion of Need? Why?**

- Active, connected, educated, engaged, and entrepreneurial are the top priority
- Active community and connected community would be the biggest theme to build upon
- Well-built because we have not a good enough infrastructure
- Well-built – homelessness
- Entrepreneurial community, safe community and well-built community because they all go together
- Entrepreneurial and economic community, without it there is not enough for the rest
- Pool, pickleball for all community
- Decrease in student enrollment
- More job opportunities
- Draw in outside communities
- Somewhere/Something for youth to do/ community center
- Park improvement
- Mental and physical health benefits
- Dog Park
- Pool
- All abilities park

### **2) Which theme(s) would you give top priority under the criterion of Equity? Why?**

- Real diversity is a challenge
- Connected community and active community are building blocks of the last seven of the theme definitions
- Entrepreneurial because it comes with jobs
- Rise in economic tide floats all boats
- Job base with entrepreneurial build a community
- Mental health is a big thing to assist with people pulling themselves out instead of being pulled out
- (Ex. grant to city to pay homeless to clean city and to take classes)
- Freely accessible to everyone, good home internet
- Gain skills to improve their family's education and to learn new skills

JEFFERSON FRANKLIN COMMUNITY ACTION CORPORATION  
#2 MERCHANT DRIVE P.O. BOX 920, HILLSBORO MO 63050

- Hand Up not Hand Out
- More help to grow
- Community Growth
- One project at a time
- Transportation improvements
- Motivation to gain a skill set
- Business are willing to chip in
- Pick a project to grow
- A first district with chrome books

**3) Which theme(s) would you give top priority under the criterion of Local Involvement/Support? Why?**

- Churches, schools, small business owners and politicians would have to be on board with the direction of the project
- Engagement is a big thing, local government, is a big thing in the financing of projects
- Entrepreneurial community Safe community and well-built community all go together to better a community
- Chamber, school support
- Civic organizations and churches
- Brand new building trades
- First year safety and learning, graduate with skills
- Our community comes together to work helping each other
- When someone is in need the community pulls together
- Great community organizations have money to use but wants a start
